

Types of Map Products

Waterproof prints. These are A4 sheets of waterproof paper, with the map laser-printed on one side, showing all the controls, and text on the reverse side which includes some basic information and suggested ways of combining the controls into courses of different standards and lengths. When payment for your order is confirmed, we will print your maps and post them to the address supplied. **Write WP in the Type column, or leave it blank.**

PDF files. These are pairs of PDF files, with the map in one file and the reverse side text in the other. When payment for your order is confirmed, we will construct an email (or series of emails) with all the required files attached. Note that the nature of printing via PDFs means that scale and colours are variable, and the quality of print and paper will depend on what facilities you have available. **Write PDF in the Type column.**

MapTiler and HipsomApp files. We will also supply files for the apps described on the [Smartphones](#) page. The ones currently offered are ones we have used already. If you'd like to try some other parks, use [Contact Us](#) to ask and we will happily create the necessary files and add the new products to our list. **Write MT or HA in the Type column.**

Ways of Paying

Cheque. Include the cheque, payable to GMOA, with this form, posted to: **GMOA, 28 Turncliff Crescent, Marple, Stockport, SK6 6JP.** Your order will be fulfilled (either printed or emailed) when the cheque is received.

Bank Transfer. Transfer the amount required to the GMOA bank account - **Lloyds TSB, Account 00937795, Sort Code 30-98-12.** Your order will be fulfilled when your transfer is received.

Purchase Order/Invoice. If you provide a Purchase Order number, we will include a matching Invoice along with the maps. The order will be fulfilled as soon as it is received.

PayPal. We will send you an email "Request for Payment" from our Paypal account. This will contain a link which will enable you to pay. Your order will be fulfilled as soon as we see the payment come through.

Cards. To pay by Card, you will have to use the Get a Map screen on the web site.

Notes

Prices per map reflect a combination of costs we incur and contributions from the individual park authorities.

There is an administration charge of £1.00 for every order. Orders of 20 or more maps get a discount of 20%.

An order for Lyme is for a pack containing one A3 map and two A4 maps. This is our only A3 map.

None of this system will work if you supply incorrect addresses - either email or postal, or both, so please please double-check them.

The reason we charge for maps is that our organisation, although entirely run by volunteers, has ongoing expenses – posts, plaques, mapping, travel, hosting, paper, toner, postage, etc, – which need to be covered.
